SPRING 2012 COACH INFORMATION

Thank you for your interest in coaching with Southern Nevada Soccer Association. We are committed to providing continuing education to all of our coaches – *no experience is necessary!* A list of coach events for both of our recreational programs, Henderson United Youth Soccer (HUYS) and Southern Highlands® United Youth Soccer (SHU) has been included on the back of this sheet. Please mark these important dates on your calendar.

COACH DAY/ROSTER PICKUP: We will distribute Coach Packets, which include team rosters, rulebooks and coach kits for the Spring 2011 season, on **HUYS Coach Day**. Coaches that are new to HUYS or SHU need to attend the SNSA new coaches meeting; returning coaches need only stop by to pick up their packets.

SNSA NEW COACHES MEETING

Saturday, February 18, 10am-10:45am, Green Valley High School, Room 200

RETURNING HUYS COACHES ROSTER PICKUP

Saturday, February 18, any time between 11am-1pm, Green Valley HS, Room 200

SHU COACHES ROSTER PICKUP

Saturday, February 18, any time between 2:30pm-3:30pm, Inzalaco Park

If you are unable to attend Coach Day, please arrange for someone to pick up your coach packet so that you may begin team practices as soon as possible.

COACH TRAINING: In order to provide the optimum environment for player development, SNSA encourages coaches to attend an **SNSA Coach Course** appropriate for the age division in which they are coaching. Classes are conducted by USSF-licensed coaches. The **SNSA Level 1 Coach Clinic** (U5-U8) and the **SNSA Level 2 Coach Clinic** (U9-U15) and are scheduled for **Saturday, February 25 at Green Valley High School**. SNSA will also offer a **Goalkeeper Training for Coaches** class (U9-U15) on **Saturday, February 18**. **Coach clinics are paid for by SNSA**. Send an e-mail to info@snsasoccer.com to reserve your spot in one of the SNSA coach clinics.

Additional coach training will be provided through the **SNSA Coach Technical Training** program, which consists of four training sessions (3/16, 3/23, 3/30 and 4/13) at Anthem Hills Park. Coach Technical Training is conducted by Heat FC Technical Director Eddie Henderson, and comprises age-appropriate technical topic field training sessions. All SNSA coaches are strongly encouraged to participate. Other coach training opportunities, including USSF E, USSF and Champions Coach Clinic courses, are listed on the back of this sheet. Continue to check the website at www.snsasoccer.com for schedule updates.

UNIFORM/SCHEDULE DISTRIBUTION: Uniforms and schedules for the Spring 2012 season will be distributed at **SNSA Team Day on Saturday, March 3** (see schedule on reverse). Coach, if you are unable to attend SNSA Team Day, send a team representative to pick up your uniforms and schedule.

COACH PASSES: SNSA requires all coaches to have a coach identification pass available for presentation at the games. Coach passes issued in Fall 2011 are valid for the Spring 2012 season. If you do not have a coach pass from the Fall 2011 season, you will need to complete our SAY Volunteer Application form, and provide a 1" x 1" photo (or send a digital photo via e-mail) for your coach pass.

LEAGUE COMMUNICATIONS: SNSA frequently uses e-mail to communicate with our coaches. Please provide us with your e-mail address to insure that you will receive league communications. You can contact SNSA via e-mail at info@snsasoccer.com, or via voice-mail at 568-0400.
