**Re: S.C.O.R.E. Program**

I am very excited to be coordinating Sauk Rapids' participation in the S.C.O.R.E. Program (Skaters Committed to Outreach, Responsibility, and Education) for the 2011-2012 season.

The goal of the S.C.O.R.E. program is to recognize and acknowledge academic success and community involvement as well as promote responsible behavior while involved in youth hockey.

If your skater maintains a GPA of 2.0 or higher and also participates in one hour of community service they will qualify for varying levels of the S.C.O.R.E. program. We will qualify skaters based on the 1<sup>st</sup> trimester final and 2<sup>nd</sup> trimester mid-term grades.

### **Process:**

Mail a copy (these will not be returned) of your child's report card (first trimester final or 2<sup>nd</sup> trimester mid-term), along with a participation form (found on the SRYHA Website under SCORE Program) by February 1, 2012 to:

**David Sikes**  
**448 9<sup>th</sup> Ave N**  
**Sauk Rapids, MN 56379**

**Or:**

**Sauk Rapids Youth Hockey Association**  
**Attention: David Sikes**  
**P.O. Box 244**  
**Rapids, MN 56379**

Please be assured we will take great care in keeping confidentiality. Thanks in advance for your participation. Please call me with any questions.
