## Spontaneous Volunteering

*Submitted by MYHA Board Members*

First of all, thank you to all the parents, grandparents and players who are pitching in at the MYHA facilities. Whether it is picking up garbage, replacing toilet paper or just welcoming our visitors, you are already making a big contribution. We have had very positive feedback from the visitors and teams from our first few tournaments about the friendly reception and the nice-looking facilities.

As always, thank you for helping to keep the arena clean by picking up or sweeping, especially during tournaments. If you have suggestions for projects, just let us know. Remember, this is "our" facility and we can make it shine even more.

Finally, a special "thank you" to Jim Lund for trimming the trees around the arena and to Kevin Heazlett and team for the great paint job!

## Matt Cullen named one of top 100 greatest Minnesota players.

Matt Cullen, a Moorhead native, has been recognized by Minnesota Hockey Hub as one of Minnesota's greatest 100 players.

Matt is a 1995 Moorhead High School graduate. He played 2 years with St. Cloud State University before turning pro after the 1996-97 season.

He was drafted by the Anaheim Mighty Ducks in 1996 and has also played for the Ottawa Senators, New York Rangers and the Carolina Hurricanes. In 2006, Matt won the Stanley Cup while with the Carolina Hurricanes.

Last year, Matt had the opportunity to play for his home state when he joined the Minnesota Wild.

This year Matt has been named an Alternate Captain for the Wild.

## Just Add Ice III Campaign

In the very near future, you will receive a letter along with a pledge card. Please consider signing up for the Just Add Ice III Campaign. MYHA has not had a fundraising campaign in 9+ years. We need to raise the funds for the capital improvements to ensure that our program will continue to be very strong in the future.

## DONATE CELL PHONES

In 2007 MYHA started a cell phone recycling program whereby the association receives a rebate check for the old/unused cell phones that we donate. The donated cell phones are refurbished and utilized for 911 purposes for women in crisis throughout the US and redeployed nationwide to developing countries to improve quality of life through communication. Please place your unused cell phones in the drop box located by the concession stand in the lobby, or bring them into the office to support this worthwhile cause. Please note that cell phones must be in working condition. Cell phones that have water damage or are defective will not be processed by Pace Butler.

**THANK YOU!**
