

## Chicago Hawks Hockey Club Equipment Policy

The Chicago Hawks require **red pants and red helmets** for players on all teams (excluding In House and goalies). Players who do not have the required red pants and helmet will not be allowed to play in league and/or tournament games.

The Chicago Hawks equipment partner, Total Hockey, has committed to increase inventory levels at their Downers Grove location on all red pants, red pant shells and red helmets to assist those needing to purchase items to conform to the Chicago Hawks Equipment Policy.
