

# Southern Nevada Soccer Association Coach Technical Training Program

Southern Nevada Soccer Association (SNSA) is pleased to offer our Coach Technical Training (CTT) program to registered Henderson United Youth Soccer (HUYS) and Southern Highlands® United® (SHU) coaches. CTT consists of four Friday evening training sessions under the direction of Eddie Henderson, Technical Director for Heat FC, SNSA's competitive club program. Eddie is a former Nevada State Coaching Director and former professional player, and holds a USSF A coaching license. CTT is an opportunity for all coaches in HUYS and SHU to learn how to further their training by learning drills and activities designed to promote the development of fundamental soccer techniques. Topics include All HUYS and SHU coaches are encouraged to attend and participate!
