LEAD FAMILY: Includes trash bags as well as all paper goods (plates / napkins / utensils) and the table(s). Lead family is expected to arrive early enough (30 minutes to 1 hour) at the playing site to obtain a camp area for our team. If you do not have a plastic table, please let me know in advance so I can arrange for one. This is just a guide so please feel free to change it up a little.

Debby McNeely (951) 326-4375

The entire team is dependent on you to bring your food item(s) - please do not forget. The intention is to feed the entire family of each player, about 30-35 people. If you need to switch a weekend, please do so with another family.
