Dear Parent,

We are considering "Bowling" at either Syosset Lanes or other nearby bowling facilities as another sports activity for your youngster on some rainy days. The children will be transported to and from the campus by our school bus company. In addition, children will be transported on campus to both swim instruction and tennis activities on a daily basis.

Please sign the permission slip below and return this form along with both pages of your health form.

Thank You.

Field Trip Permission Form

I hereby grant the New York Sports Academy permission to transport my child on any local trip that is part of the regular program. The staff will exercise every reasonable precaution consistent with safety and health.
