

# TSMSS Award Nomination Form

Do you know someone who is a current member of TSMSS, promotes the profession, supports the society by attendance and/or volunteerism, readily assists peers, and projects a professional image? If so, why not nominate this person for the Outstanding CPMSM or CPCS Award or the Outstanding TSMSS Member Award? TSMSS accepts nominations for the Outstanding CPMSM (Certified Professional Medical Staff Management), the Outstanding

CPCS (Certified Provider Credentialing Specialist), and Outstanding TSMSS Member Awards.

Please take a few minutes and think of all your peers. We have a great group to choose from, and all it takes from you is a few minutes to complete the simple form below. If you have any questions as to whether your nominee is a current member of TSMSS or meets attendance requirements, please contact a TSMSS Board member (see contact information on the website).
