Daily Program Overview

June 11—June 29, July 9—August 2, No hockey July 1-July 7

Both the Squirt and PeeWee sessions will run 3 days a week for 7 weeks. This consistency each week will allow players to build off of prior learning as we progress throughout the summer. Through this process the players will develop their individual skills in a high-tempo, competitive environment. In addition, players will be taught team concepts that will improve their knowledge of the game. The best way to do this is to continue to work with their current and future teammates throughout the summer.

PeeWee: Monday, Tuesday, Thursday 11:30-12:45 on-ice, 1:00-2:00 off-ice

Squirt: Tuesday and Thursday 1:00-2:15 on-ice, 2:30-3:30 off-ice; Wednesday 11:30-12:45 on-ice, 1:00-2:00 off-ice

Day 2 – Multi-skill drills and team play concepts such as line rushes and positional play. Goalie specific training.

Day 3— competitions, including small area games and battle drills. Use skills and concepts in a competitive situations.
