# 2012 DEVELOPMENTAL **SPRING AND FALL** HOCKEY LEAGUES

Come join Greg Carter's European Hockey Training School's Developmental Spring League and see what everyone's talking about! Our program offers young players, ages 5 through 17, the opportunity to work on their Individual Skill Development (ISD), while having fun!

Our ISD approach enables players to learn each skill - such as control, agility, technique, etc. - in a controlled situation. Once the techniques are performed correctly, players are challenged to add speed and push themselves further. During the weekly games, coaches encourage their players to be creative with their new skills and moves.

**[What if the scheduled skill time does not work for us?** We understand that there are other activities going on during the spring so we are very flexible with our skill sessions. If you cannot make your scheduled time, you can either go at a later time or on a different day. We only ask that you move up or down one division.

**[Do you balance the teams/divisions?** Yes, during the first two weeks we evaluate the teams and divisions and make the appropriate changes so the league remains competitive.

## SPRING LEAGUES

DATES: April 24 - June 9, 2012
