Club Service - Janis Donnelly Engage new members in a project	Provide \$1000 every year for new members to use for a project of their choosing	N/A	N/A	The president for 2011-2012 preferred getting new members involved in existing projects, there was no money in the new budget so it will not be done.
Continue practice of individual members taking a program	Each week individual members of the Club host a program. Tim Trooien is presently the program coordinator.	weekly	weekly	The program is going well and is well received
Keep long time members engaged and periodically change what they are helping with and provide opportunity to try something new	Get a copy of the Member Roster and see who is involved and in what projects. List activities and people and put a check by those who participate and those who do not.	ongoing	ongoing	There does not seem to be an issue of non-participation in our club. The vast majority of our members are involved in at least one activity and in most cases more than one.
