

Snack Bar Policy

League parents and family members will be responsible for volunteering to work assigned shifts in the snack bar. You must be **18** years or older to work an assigned shift. Schedules will be disbursed two weeks prior to your scheduled shift and a current assignment will be posted in the snack bar at all times. If you cannot work your assigned shift you will be required to buy-out that shift for a fee of \$30.00. Buy-outs should be requested at least one (1) week prior to the assigned shift. Once a buy-out request has been submitted, this request can be changed **up to 72** hours prior to your assigned shift. If a buy-out request is made less than one (1) week prior to the assigned shift an additional \$5.00 will be assessed. All buy-out money is due by Friday at 5:00 pm the weekend of your assigned shift. If buy-out money is not received at that time from either the manager or team mom, the person assigned to that shift will be charged the No-Show Fee of \$40.00.

If you are late to your assigned shift, you will be charged \$5.00 per each ½ hour you are late up to 1 hour. If you are more than 1 hour late, you will be considered a NO SHOW. When you are late, the late fee is due immediately upon your arrival.

If you do not show up for your assigned shift, you will be charged \$40.00 and will result in your child AND manager sitting out a game or games until the issue has been resolved.

Please inform your team parent if you are wanting to buyout. The team parent will then contact the Team Parent Coordinator who will work with the Snack Bar Manager to find your replacement. It is the Snack Bar Manager's responsibility to find your replacement from the board's approved list.

There will be no children under the age of 18 in the snack bar or at the doorway at any time.

No one, other than those working the snack bar or board members, is allowed in the snack bar at any time.

The last shift of the day must stay until the snack bar is completely clean.

We will make every effort not to schedule your shift during your child's game. The exception to this is for games played at Pearson Park. You will be scheduled during the games there as you can see the game while you work.

If you have any questions/problems please contact the Snack Bar Manager Ana Ortiz at ana.ortiz@anaheimponybaseball.com.

I have read and understand the snack bar policy.
