

FOOD FOR FAMISHED FAMILIES

Help Us Feed The Hungry!

I am part of the McHenry County Hurricane's Travel Baseball Organization. Because the community does so much to make our program successful, we are committed to giving back in terms of volunteerism. Our 11U team's objective this year is to help feed the hungry.

I am leaving you this bag in hopes that you can help fill it with whatever you feel comfortable in donating. All items donated will go directly to the Crystal Lake Food Pantry to help feed the hungry in our community.

Please leave your bag on your doorstep on XX/XX/XX. I will be around to collect these filled bags between the hours of XX-XX. If you can not donate, I completely understand, just leave the empty bag so that I can return it to the food pantry for them to reuse.

If you require a separate pickup time than what I have listed, please call me at the number listed below and I will work with you to find a more convenient time.

Thank you greatly for generosity and assistance.
