

ADULT HOCKEY INFO

League Director: R.J. Zeigler

Contact Info: Office: 703-730-8423

Email: rzeigler@pwice.com

Just over 18 months after the devastating blizzard of 2010 tragically destroyed our beloved Prince William Ice Center, WE ARE BACK! This time, we're bigger and better than ever. The Prince William Ice Center will truly set the standard in the ice rink industry.

Our next adult league will start in mid-late January and run into May. Game nights will be designated at the captains meeting, just as we have in the past. All teams can either provide their own jerseys or contact the Pro Shop Manager, Matt Smith, at msmith@pwice.com to acquire uniforms. Each team will be required to have matching uniforms. All teams must provide roster and a printout of a current USA Hockey registration FOR EACH PLAYER at the time of registration.

We will have four leagues this season: A, Upper B, Lower B, and C. The League Director will determine the appropriate league to place each team, basing the decision on talent, experience, and team preference. Changes in team placement can be made by the League Director up to two weeks into the season to ensure parity throughout each league. Players will also be required to check in before each game to prevent illegal players from participating and helping to ensure that our league is fair and competitive.

The Grumpy Old Men Night will be reserved for players aged 35+ and will skate on Mondays. The Grumpier Old Men Night will be on Saturdays. Both programs will cost only \$200 for fourteen weeks. Space will be limited for these scrimmage style ice times; only 30 total players will be accepted on a first come, first serve basis. The first two goalies registered will be half price but will have the responsibility of making sure a sub is always present if they cannot attend for any reason. Pro-rating is available only for players joining late but can only be done through the Hockey Director. No advanced pro-rating of any kind is available for any hockey league.

LEAGUE DETAILS

- Team Cost: \$3600 per team
- Individual Cost: \$380 per player
- Includes minimum 14 total games
- Designated Game Nights
- Regular Schedule
