THREE LEVELS OFFERED:

Rookies- Hockey 1: No skating experience required. This is an introductory skating program for beginning boys and girls. Instructors teach entry level skating techniques and the basic skating skills of hockey.

Little Stars- Hockey 2: In addition to strengthening entry level skating techniques, Little Stars will focus on controlling forward skating and turning. Basic hockey skills with a stick and puck will be introduced including stick handling, passing, and shooting.

All Stars- Hockey 3: Experience the magic of scoring goals! All Stars will reinforce the basic hockey skating skills plus teach hockey stops and crossovers. Skaters will also work on puck handling, passing and shooting. This level is appropriate for Atoms who want to improve their skills.

***Coaches will place players in proper level on the first day.**
