

2012 NMA Poker Run Series

Flyer... The poker run series hired graphic artist Garrett Devol to design an eye catching flyer for the series. This flyer will have the dates and locations of all the poker run series events. This flyer will be sent out to all of the local motorcycle shops and other supporting businesses.

Rider Fee... \$1.00 per rider with a cap of \$250 per event/per day.

Sound Check... Suspended for 2012 due to a lack of volunteers to run the sound check. The equipment will be made available if the club so chooses to perform a sound check.

This is a Series... In order to qualify to win any prize the rider must participate in a minimum of 7 poker run series event. Each day at multiple day events count as events. The awards BBQ will also count as an event.

How Riders Qualify to Win the Grand Prize... A rider must be an NMA member at the time of the event and also through to the end of the season. For every poker punch card a rider purchases that rider will get 1 raffle ticket. Pee wee courses also count towards the grand prize raffle tickets. If the club makes available for purchase extra poker hands, those extra hands will count towards tickets for the grand prize.

If you work the event, you did not purchase a punch card; therefore you will not earn tickets towards the grand prize

If you camp at the event, but do not purchase poker punch cards. You will not earn a ticket towards the prizes

Grand Prize... Will be a \$2500 gift card good at any one of the over 30 Washington State Motorcycle Dealers Association. Winner of the grand prize does not have to be present at the awards BBQ.

Runner Up Prizes... We have collected many prizes to give away. We will use the same tickets as the grand prize. Only those present at the awards bbq will be able to win runner up prizes. We choose not to collect prizes from area motorcycle shops. We hope that by us not asking these local shops, they will be available for clubs to ask for prizes.

Goals...

- Increase NMA memberships
- Increase the number of riders that participate
- Making the rider fee reasonable offer's the clubs a good value
- Offering a grand prize like the \$2500 gift card will increase the number of riders at each event and will increase memberships to the NMA.
