

The following will outline the steps in signing up for Puck-Bucks/Scrip. It is important to remember that once you enroll for Puck-Bucks at Shopwithscrip.com, you also need to enroll in Presto-Pay. Presto-Pay is a secure service that allows your payments to instantly be made without having to route checks through the association. The link to Presto-Pay is in the left toolbar on your Account Page.

Participants who donate Puck-Bucks can ask that their funds be donated to up to five families, the association, or a combination thereof according to how they desire to designate their funds.

You are finished with registration for Shopwithscrip.com.

You will now need to go to your ACCOUNT tab.

On that page, you will find a toolbar on the left side. PRESTO PAY is towards the bottom of that toolbar. Click on Presto-Pay and walk yourself through registration for Presto-Pay.

Once you have completed registering for Presto-Pay, you will receive two small deposits to your checking or savings account within a couple of days. Presto-Pay will email a link to you; however, you can also go to this PRESTO-PAY link (on the toolbar) and enter the money amounts in order to verify your account. This is part of the secure process. Once you have verified your funds, Presto-Pay will send you a four digit code. You MUST forward this to the Scrip Coordinator at rwaha.scrip@gmail.com in order to have your account activated.

If you have any questions, please feel free to email me here at RWAHA.scrip@gmail.com Scrip orders will be released on the 1st and the 15th of every month at 10 a.m. We encourage you to pick "something" that you are already buying, and purchase Scrip Cards for those future purchases.
