

5 vs. 5 Flag Football Rules of Play

PLAYING FIELD:

- Length: 50 Yards
- End Zones: 7 Yards
- Width: 25 Yards
- First Down Mark: Midfield
- No run zones: Short yardage plays including the five yards before the first down and end zone

GAME CLOCK FORMAT:

- Each game is played in two 20-minute halves. A running clock format is used.
- The clock will stop on out-of-bounds, first downs, change of possession, extra points and incomplete passes in the final two

minutes of the second half providing the lead is in the single digits (9 points or less)

- Each team receives one 60 second time outs per half. (No carry over)
- There will be a one minute break at halftime and between games.

SCORING:

- Touchdowns = 6 points
- Safety = 2 points
- Extra Points = 5 yards out = 1 point; no run zone 12 yards out = 2 points; run zone

DRIVES:

- There are no kickoffs or punts
- All drives begin on the five-yard line with the exception of interceptions.
- Drives consist of three plays to either make a first down or score a touchdown
- Interceptions may be run back and the drive will begin where the player's flag is pulled.
- Extra points can be returned for the amount of points the other team is trying for.

FIRST DOWNS:

- A drive can be extended should a team push the ball past mid field using up to three plays. After a team passes mid field they must score within three plays for the other team gains possession.

CENTERING THE BALL:

- The ball must be snapped between the legs.
- Each time the ball is spotted a team has 30 seconds to snap the ball. A five-yard penalty will be assessed for delay of game.

SUBSTITUTIONS:

- Players may substitute during a dead ball but must be on or off the field before the next play starts.

RUNNING PLAYS:

- There is no limit to the number of handoffs made behind the line of scrimmage.
- Player does not have to be lined up behind the line of scrimmage.
- One later or pitch is allowed behind the line of scrimmage. If the pitch is forward, then recipient can't pass and must run. No laterals past LOS.
- The "No Run Zone" is designated to avoid short yardage power running. It is located five yards before first down and five yards before the endzone.

- The player who takes the handoff can throw the ball as long as he does not pass the line of scrimmage.
- Once the ball has been handed off or pitched, any or all defensive players are allowed to rush even if they aren't behind the 7-yard mark.
- No handoffs or laterals are allowed past the line of scrimmage.
- There is no jumping or diving when running with the ball to avoid a flag pull. Players can jump step or jump back to avoid a flag pull. If officials indicate illegal jump, the ball will be placed where they leave their feet.
- The QB cannot run the ball. If the ball is handed off behind the line of scrimmage that person can run as long as it's not in the no run zone or pass. Once the ball is handed off there is no 7 second count.

RECEIVING:

- All players are eligible to receive passes (including the QB if the ball has been handed off behind the line of scrimmage).
- Player must have at least one foot in bounds when making a catch.
- No bump and run coverage. No chucking receivers at the line of scrimmage or down field.

PASSING:

- Shovel passes are allowed even behind the line of scrimmage.
- QB will have SEVEN second pass clock if no defensive player rushes. If a pass is not thrown within seven seconds, the play is dead and treated as an incomplete pass.
- Interceptions may be returned (including extra points)

RUSHING THE QUARTERBACK:

- All players that rush the QB must be a minimum of 7 yards beyond the line of scrimmage when the ball is snapped. However, once the ball has been handed off, all players are eligible to rush from anywhere in front of or beyond the 7-yard marker.
- Any number of players can rush the QB providing they are behind the seven-yard mark.
- Official will designate 7 yards from the Line of Scrimmage.
- If the rusher enters the 7-yard neutral zone before the snap, he must get back before the ball is snapped or else he is ineligible to rush on that play.
- Rusher must go for the quarterback's flags. Rusher may attempt to block the pass but it is a penalty to make contact with the QB's body or arm even if the ball is deflected.
- If no one rushes, the quarterback will have 7 seconds to release the ball. With a defensive rush – 7-second rule is waived.
- It will be the offensive player's responsibility to give the rusher a clear line to the QB. The official will determine incidental contact.

(Rusher can not run directly at the center, he must give receiver clearance to run pattern)

DEAD BALLS:

- Play is ruled over when/where the ball is spotted or when the ball hits the ground.
 - Includes bad snap
 - No fumble recoveries allowed
- When the ball carrier loses his flag (pulled off or falls off)
- When the ball carrier's knee hits the ground the play is ruled dead. Players can put their hand down to keep balance, but not to avoid a flag pull.
- When the ball carrier steps out of bounds the ball is ruled dead.
- Ball is spotted where the flag is pulled.
 - ** Note: If the receiver catches a ball and he has lost his flag already, it goes as a completed pass, but he is unable to advance the ball. If the flag is pulled by an opponent prior to the reception, he may advance the ball and the defense must pull his other flag. If both flags have been pulled prior to the catch (Illegal Flag Pull) by the defense, penalty is five yards from point of reception, plus automatic first down.
