FAQs

We want Breakaway to be a **fun** league that players look forward to participating in at the end of their season. In an effort to address issues of the past, we have made some changes.

How can we be sure that the games will be evenly matched?

We are requiring that players register at the level that they played in the 2011-2012 season.

If your player is not on a designated team, an on ice evaluation for placement may occur.

If a team is determined to be over matched to their opponent they will be allowed to pool players for that game.

What nights will my child play?

We will make every effort to keep game nights consistent, however, this is dependent on the number of teams and ice availability. Our anticipated schedule include:

- Mini Mites– Mon/Wed/Sat/Sun
- Mighty Mites– Tues/Thurs/Sat/Sun
- Super Mites-Mon/Wed/Sat/Sun
- Squirts-Tues/Thurs/Sat/Sun
- Peewees-Mon-Thurs/Sat/Sun

We welcome your suggestions, and will try to do our best to accommodate. Let's have a great season!
