Dear Prospect:

We invite you to attend the Junior and College Hockey Exposure Showcase on May 4th to May 6th, 2012 at Wakota Arena in South St. Paul, MN. Players eligible for this event are birth years starting at 1991 (college prospects) through 1997's. To register for this event information, or to seek more information, please visit our website at www.juniorhockeyexposure.com.

Our showcase in Minnesota will give you exposure to both Junior and College hockey teams of all levels. The benefit of our location is the access to scouts of all levels of play (from Tier 3 Junior A, NAHL, USHL, D3, and D1 Colleges). In order to move up to the next level of Junior and College Hockey it is best to skate where the teams and scouts are based! Our showcase in 2012 will provide you with; 1 team practice, 5 games, 1 on ice power skating/skills instruction with Brad Perry Hockey, 1 off ice training session with Eric Hofmann's Performance Training, and Q&A Sessions to help with your personal hockey development.

Hockey opportunities in the Junior and College Hockey world are limited, teams tend to scout in the "hot beds" of the hockey world, our point is teams and scouts will not know you exist unless you find the opportunities to play in front of them, The Junior and College Hockey Exposure Showcase gives you that that opportunity!

We look forward to your participation in Minnesota at the Junior Hockey Exposure Showcase. For more information please visit www.juniorhockeyexposure.com or contact us directly.

Sincerely,

Howie Borden
