

## Mat Rats Greco / Freestyle Open MN/USA State Tournament Qualifier (PeeWee thru Junior)

This tournament is a unique format as all participants are required to wrestle both Greco and Freestyle. If you haven't wrestled Greco before this is a great opportunity. Each participant will be bracketed in a 4 man bracket (when possible) and they will first wrestle Greco and then they will wrestle Freestyle. When all matches are concluded in the Greco round the Freestyle round will begin (exception will be PeeWee and Bantam as these groups will start immediately after the conclusion of the group). Each participant will stay in the same group for both rounds.

We held the same format last two years and received nothing but favorable reviews. We hope to duplicate the fun the kid's experienced. Tournament concluded in 2011 around 4:30pm.
