## Evening of Grilling n Chilling with the WPSL

### *Evening of Grilling n Chilling with the WPSL*

***THIS THURSDAY, May 24<sup>th</sup>, 6-8PM***

***HIAWATHA PLAYFIELD & GRASS (2700 California Ave SW)***

The 2012 soccer year is now officially underway! The club welcomes our new and returning players and families with a relaxing evening of food, fun and soccer. Please join us at this Thursday's club event at the **beautiful Hiawatha Park in West Seattle**. We have taken a night off from our upcoming training season, reserved the soccer pitch as well as the grass south of the community center for a relaxing family evening. **Highline Premier Coach Niki Taylor** will be bringing Seattle's new **ECFC WPSL (Women's Premier Soccer League)** team for a training session, small sided activity and a meet-n-greet. The ECFC WPSL is slated to kick-off its inaugural season this Saturday and has a number of current UW Husky players on the squad! The WPSL is the world's largest national women's soccer league and provides opportunities for aspiring professional, international-level players and passionate amateurs.

Highline Premier's own **Grill Master Extraordinaire Don Young** will be bringing his skills and his wonder grill and the club will be supplying the hamburgers, hotdogs and fixins for the evening. Food serving starts promptly at 6PM and goes until it is done! **Team families should bring along a dessert, some drinks, salad or chips!** Players, parents and siblings are all welcome! Bring a ball for kick-around/autographs. Just be sure to **RSVP to your team managers not later than Wednesday evening!** See you there, rain or shine (we'll supply cover too!)
