DOUG MOORE SCHOLARSHIP

Serving The American Rinks, (STAR) in conjunction with Jet Ice Limited is pleased to offer the Doug Moore Scholarship at NARCE 2015. STAR supports professional development within the ice making community and would like to assist candidates in achieving their personal and professional goals.

Who was Doug Moore?

Doug Moore was the late founder of Jet Ice Limited and the Chief Engineer at Maple Leaf Gardens in Toronto for 30 years. He was a hands on person who understood the specific day to day needs of facility operators. During his 40 years in the arena industry, Doug developed ice making concepts and theories that are recognized and accepted as standard practices in our facilities today. He willingly and diligently shared his practical knowledge through hands on training and elevated the position of ice maker to the respectable level of professionalism it enjoys today.
