Welcome

The Saskatchewan Interscholastic Athletic Administrators Association (SIAAA) is excited to host its first Athletic Director's Conference! On behalf of the SIAAA committee, we invite you to attend a conference providing an outstanding educational in-service program for Canadian Athletic Administrators.

This first-class conference features professional speakers, workshop sessions, Leadership Training Courses and an exhibit show, as well as respected athletic administrators who willingly share their experience and expertise on a variety of educational topics.

The conference will feature 8 Leadership Training Program courses (six of which will be offered in Saskatchewan for the very first time) and 8 workshop session topics. We encourage all delegates to take advantage of both the LTP courses and workshops sessions during your time in Saskatoon. Be sure to check out the SIAAA's university partnerships with both Indiana State University's MSc in Sport Management program and Grace College's MSc in Athletic Administration. Learn how your LTP courses can be used to earn credits in both of these salary-approved programs!

The city of Saskatoon is favourably positioned with the South Saskatchewan River winding through it. Eight bridges span its gentle flow, linking east to west. An active city, residents and visitors alike flock to the Meewasin Valley trails, traversing sixty kilometres of pathways in all seasons. The city's youthful vitality and cultural richness are evident in every neighbourhood, thanks in part to the University of Saskatchewan, where leading-edge technology such as the Canadian Light Source synchrotron draws the best minds from around the world. A vibrant, sophisticated arts community is tangible at the assortment of events and festivals taking place throughout the year. Boutique shopping, challenging golf courses, and fresh local cuisine round out Saskatoon's appeal.

The SIAAA Committee and the Conference Advisory Committee hope all attendees thoroughly enjoy the entire conference experience. This conference is the only one of its kind in Canada and has a well-earned reputation that exemplifies professionalism at all times.
