Wrestler's Name	Age/Div	Weight Class	Club

Open State Tournament Participation Requirements:

Entrants must have wrestled in at least three TX-USAW qualifying tournaments. Entrants must have wrestled at a weight class equal to or lower than the weight to be entered at Open State for at least three qualifying tournaments. (Clarification/example – a D4 wrestler could wrestle once at D5-115lbs and twice at D4-120lbs to qualify for D4-120lbs at State. This would give him 3 qualifiers at or below 120lbs). There are no medical exemptions to the qualifier requirement. Wrestlers residing more than 200 miles from a TX-USAW Region are considered “Independents” and are required to wrestle only 2 qualifiers.

Division 5 update: For the 2017 Open State Tournament, D5 wrestlers are not required to have qualifiers or submit entry application.

Wrestlers on a middle school or high school team requesting a qualifier exemption must fill out a separate “Qualifier Exemption Form”.
