### **RE: PRESS RELEASE – SHSAA STAFF CHANGES**

The Saskatchewan High Schools Athletic Association would like to announce the hiring of **Dave Sandomirsky** as the new Assistant Executive Director effective August 2015. Sandomirsky is currently teaching at Rocanville School and has been in Rocanville for 10 years after teaching for three years abroad. Dave was raised in Hudson Bay, SK. where he took his elementary and high school education. He graduated with a B.Ed. and a Bachelor of Science in Kinesiology from the University of Saskatchewan in Saskatoon.

***Dave Sandomirsky***

**Kevin Vollet**, current Executive Director of the SHSAA is retiring in June following 32 years in education, 12 of which have been in the SHSAA office. **Lyle McKellar**, current Assistant Executive Director for the past 7 years will assume the responsibilities of SHSAA Executive Director in July of this year. **Jessica Blair and Stefanie Lewis** will continue in their role as Executive Assistants.

Vollet was quoted as saying, "I am leaving the Saskatchewan High Schools Athletic Association after serving the membership for the past 12 years where I have thoroughly enjoyed my experience working with all of my dedicated colleagues in educational sport. The SHSAA is known as an organization with a recognizable brand that aims to develop citizens equipped with skills that will lead them to a successful life after school. I am very pleased with the direction the SHSAA Executive has taken and I have every confidence in the new staff to continue the good work of the Association".
