On behalf of the coaching staff, welcome to the inaugural season of the Continental Divide Youth Hockey League Selects Spring Mountain Program.

The purpose of this program is to give ALL mountain region players (Squirt through Bantam) from ALL levels the opportunity to participate at a higher level of hockey. Through on-ice, off-ice and classroom support, our goal is to boost overall skill development, promote team building, increase knowledge of the game and HAVE FUN! We are excited about the tournament exposure and look forward to representing Colorado mountain hockey via an enjoyable and competitive spring season. Thank you in advance for the opportunity to coach your player!
