Message from the President

BHGS Players and Parents,

I have been on the board for a few years and yet had no idea how hard people work to produce our softball season. Being president for my first year put me in touch with virtually everything going on in our league. I would like to thank all of our tremendous volunteers from the coaches, managers, chaperones and snack-shack people to the tireless, hard working board members. Without them, we would not have a season let alone a great league like BHGS.

This year, we tried a few new things. We recruited seasonal board member volunteers in September in order to get more new ideas in the planning process earlier. We also incorporated a split-division, interleague format in the 10u division. In addition, the CA Kryptonite A-Ball program is in the middle of its first full season. Generally, I am pleased with trying new changes and as always, invite your feedback.

Looking forward, we will be focused on replacing some old equipment like BBQs’s and golf carts. We will continue to try to improve our registration and uniforms ordering processes. We’re also reviewing our board structure and positions. Let us know if you want to get more involved.

Talking with people, we had another successful year overall. On our fields, I watched a lot of girls having a lot of fun playing softball. I even saw 6 year olds looking like seasoned pros compared to a lot of dirt-digging the year before. What a difference a year makes! It’s been a pleasure to serve you and I can’t wait until next year.

Until then, have a great summer!

Each year, the players, parents and staff members from each team select one coach from each age division to receive our “Coach of the Year” Award. Throughout the season, the coach they feel deserving of this award should meet the highest standards of sportsmanship while providing instruction of the game and fair play.

This “Coach of the Year” Award is dedicated to Tina Martignetti who played the game she loved best, softball. Tina played as a child and then later as an adult she helped coach young girls in the sport she loved so much. Tina took each team she coached and transformed it with her life’s presence. She taught us a valuable life lesson by her kind and encouraging spirit. “Find a passion and make a positive difference.” Although we lost Tina to cancer, we never want to lose the lesson of her example and her caring!

Thank You Tina!
As a member of the Branham Hills Girls Softball League,
I pledge to devote myself to the enjoyment of the game,
to strive for excellence and adhere to the conduct of good sportsmanship.

As a player, I will strive to make everyone feel like a winner
and as an individual I will develop physically, spiritually and emotionally.

I believe that softball is a place where I can perform
for my parents, relatives and friends in a healthy and productive way.
I will respect the Girls Softball tradition, be respectful to all participants,
develop friendships and most of all, I will have fun.
"At Robert Trent Jones II our golf courses are of the earth but for the spirit. We invite you to explore the spirit of our life and work and share our passion for the game of golf and the art of golf course design." www.rtj2.com

Service So Good It’s Shocking!

At Klauser Electric, we know how important good service is to our customers. We are constantly upgrading the way we do business so that we are able to offer you the best service in the industry. Our number one priority is Customer Service, because we never forget that our customers are the reason we are in business! When you call us you can expect a friendly voice on the phone to listen to you; a fast response; work performed by a trained electrician.

Thank you for your HOME RUN SPONSORSHIP!

Leadership
Each job is vigilantly supervised.
The project manager works
closely with the crew, suppliers,
and subcontractors, and together
visits each site, regardless of size,
he ensures will direct all activities,
including ordering material, confirming
subcontracts, communicating any
changes, and coordinating any
dedical requirements.

Professionalism
We make it a priority to keep our
construction sites immaculate, to
professionally protect all existing
structures, and to minimize disruption
to neighbouring properties. Our crews
are committed to maintaining the
highest standards of neatness,
safety, and professionalism.

Teamwork
Our committed team of tradesmen
is the key to our exceptional
performance. We have a cohesive
group of employees who are
dedicated to developing their
professional skills and craftsmanship.
Our employee development programs
have contributed greatly to our record
of steady growth and long-term
relationships with our customers.
