

GOAL SAFETY - CHECK OUT THESE TIPS FROM US YOUTH SOCCER!

Kwik Goal, the Official Goal and Field Equipment Supplier to US Youth Soccer, has made soccer goal safety a top priority.

In fact, it's safe to say there are few product development groups in the world with as much knowledge, experience and invested research time in soccer goal safety as the people that makeup the Kwik Goal product design team.

So, as we look to educate about goal safety, please remember these important safety points from your friends at Kwik Goal.

- 1. Never climb on the soccer net or goal framework.*
- 2. Instruct soccer players on the safe handling of and potential dangers associated with movable soccer goals.*
- 3. Securely anchor or counter-weight movable soccer goals at all times.*

Ensure [goal safety labels](#) are clearly visible.

- 1. When goals are not in use anchor or chain goals to nearby fence posts, dugouts, or similar sturdy fixtures.*
- 2. Fully disassemble goals for seasonal storage.*
