Team Roster	Needed – See below	Needed – See below	Needed – See below	Needed – See below
Player ID Cards	Needed – See below	Needed – See below	Needed – See below	Needed – See below

All team registrations will take place 1 hour before your 1st game at the field. Please find the registration tent or staff member who will check-in your team. To register your team, you will need the following completed in full:

GPS Waiver Form/Medical Release Form

All parents need to fill out and complete the GPS Tournament waiver or state medical release form, for them to be eligible to participate in the tournament. These must all be handed into the tournament staff at check-in to complete registration. At minimum, we need the players name, DOB, team affiliation and age group and parents signature.

Team Roster

The team roster must be an official document, which, at minimum, must show all of the participating player/coach names and DOBs along with team affiliation and age group. This roster must be officially signed by your league, or state, which will verify the information. All rosters have to be “in date” and apply to the current season/year.

Player Pass Cards (ID Cards)

All teams must present both player and coach pass cards at check-in, to register for the event. Pass cards can be obtained and printed through USYSA, US Club Soccer or another official US Soccer association. Pass cards must show player names, dates of births, which team they are affiliated with and preferably their picture/photo. Pass cards will be matched up to the information provided through the rosters and waivers/medical release forms, to ensure accuracy of information. **A player may not be able to participate if they do not have an official pass card, or are not insured through a recognized soccer association.**

Birth Certificates (copies)

It is always a good idea to have these in your team folder in case pass card information does not match your roster information. This way you can verify a players age if needed. **Birth Certificates are not necessary for registration.**

Out of State Travel Forms

Teams traveling from outside of Florida will need to provide a out of state travel form from their state organization.
