

Jon Lewis
MNU Pioneers
32-5
NAIA Division 1 National Champions

Jon Lewis, who's 141-28 (.834) career record is best all time at MNU, capped his 5th season with the program's first National Championship. The 2-time conference Coach of the Year was named NAIA National Coach of the Year after the run to the title.

Jon Lewis became the head coach at MNU prior to the 2011-12 season and has transformed the Pioneers into a nationally ranked powerhouse.

Prior to being named head coach, Lewis spent the previous 5 seasons at MNU as the lead assistant coach and recruiting coordinator for Bill Olin and Karen Lange. Under their tutelage, Jon proved to be a dynamic recruiter and student of the game. In addition to working with the Pioneers, Lewis has been instrumental in developing many NCAA DI, DII, and NAIA student-athletics while co-founding the KC Hoops Factory program and most recently helping build one of the Kansas City's top girls club basketball programs, Eclipse, an elite non-for-profit AAU program with over 25 teams. While traveling across the country coaching summer teams, Lewis has been able to evaluate and recruit some of the nation's best prospects.

During his playing years with the MNU men's basketball team, Jon was a part of multiple conference championships and four national tournament teams. The knowledge gained from working with MNU men's basketball coach, Rocky Lamar, has been invaluable to Jon's coaching experience. As part of the MNU coaching staff, the Pioneers have had the best seasons in women's basketball history.

Jon has coached in 7 national tournaments, winning the National Championship in 2016. He has helped recruit and coach 2 Conference Freshmen of the Year, 4 Conference Players of the Year, 14 All-Conference selections, 8 NAIA All-America performers and numerous NAIA-Daktronics Scholar-Athletes.

Jon and his wife, Brandi, have two children and live in Olathe.
