Clinic Registration and Certification Process

1. Starts with a Webpoint player/coach registration:
<https://webpoint.usavolleyball.org/>
2. Certification is for one season and must be renewed each new season.
3. Register for the appropriate clinic on Webpoint even if attending an in-person clinic.
 1. GE17_103 Junior Scorer Clinic (required)
 2. GE17_104 Junior Second Referee Clinic (required)
 3. GE17_101 Lines Judge Clinic (recommended)
 4. GE17_102 Libero Tracking Clinic (recommended)

Clinic Registration and Certification Process

4. Attend either an In-Person Clinic, or complete the appropriate clinic online.
 1. Both of these steps may be waived by passing the “Pre-Test” found at the Online Clinic.
 2. In-person clinics can be arranged through the Junior Officiating Education Coordinator (Babs Stead).
5. Pass a practical review
 1. This is done under actual match conditions for one full match.
 2. R-2’s are evaluated by the R-1 on site
 3. Scorers are evaluated by the Junior Officiating Education Coordinator based on score sheets submitted following the tournament.

Recommendations to Facilitate Junior Official Certification

1. Suggestions:
 - a. Coaches should complete [GE17_110 Junior Coach Officiating Team Training](#) so they have at minimum the same background as the players who complete online training whom they must supervise.
 - b. Only players who have completed clinics should serve as Scorers or Second Referees.
 - c. Only one player should serve in each roll until s/he has received a certification.
2. Club Directors can check certification status of players and staff on their Webpoint record.
