

Veterans Memorial Park Field Improvements

2016 - 2017

Project Scope

Due to generous donations from local businesses and a partnership between the Village of Pulaski, Pulaski Girls Softball, and Pulaski Baseball we reconstructed two diamonds at Memorial Park. The results are incredible!

The reconstruction process for the two diamonds included new dugouts, new backstops, new infield mix, drainage, and irrigation. Due to these changes, we'll be providing a safer, enriched environment for our youth.

The total investment made at Veterans Memorial Park for the Field Improvements project will be approximately **\$120,000**.

Contributions so far:

- Pulaski Baseball.....**\$47,300**
- Village of Pulaski.....**\$26,500**
- Pulaski Girls Softball.....**\$13,000**
- Business Sponsors.....**\$6,500**
- PBS Concessions.....**\$4,000**

Backstops

- 30' high backstops were installed on Diamonds B and C. A net system was selected to improve the longevity of the backstop and improve the visibility for our spectators.
- The total cost of the backstops, including poles, net, and concrete was **\$60,736**.

Dugouts

- Dugouts measuring 20' l x 10 w were installed on Diamonds B & C.
- The custom dugouts were designed by **Dan Mijal**, who also lead the construction of all four dugouts
- Thanks to Dan Mijal, Scott Clauss, Paul Van Roy, Greg Sikorski, Randy Norman, Chad McDougal, Gary Mork, Pat & Carolyn Hayward, Bob Holloway, Troy Handrich, Nate Wotruba, Steve Gerth, Jake Rybicki, Todd & Charm McGuire, Mike Casper, Mike Anderson, Ron Matusczak, and Billi & Chris Vertz for volunteering their time to help build the dugouts.
- The total cost of the dugouts was **\$8,104.**

Helmet and Bat Racks

- Helmet and bat racks built by Pulaski High School will be installed in the dugouts on Diamonds B & C
- Total cost of the helmet and bat racks is **\$700**.

Infields

- Due to the pitch and erosion problems the infields on Diamonds B & C were raised approximately 18”.
- Drain tile and irrigation was added to each field.
- A concrete wall was installed to provide a backing to the infield and create separation between the infield and the stands.
- Total cost of infield work was **\$16,111**.
