## Keep Kids out of Hot Water...Put them on Ice!

*The St. Albans Skating Association serves over 340 area kids and their families with a fun and exciting hockey experience each and every winter.*

*SASA works hard to keep our costs down so that everyone in the community is able to participate. We do fundraisers throughout the year and offer free equipment and scholarships. We also facilitate equipment swaps for our players and families. We take great pride in the fact that we have the lowest cost program in the state.*

*We are looking to expand opportunities for our growing organization by hosting a fundraising Golf Tournament.. Golf Tournaments are a great way to bring the community together for a fun event that supports our great organization.*

*Please consider supporting our golf tournament as a sponsor and/or player so that we may continue to bring outstanding personal growth opportunities to our area youth.*

### SASA's Mission Statement

To provide a fun, safe, competitive environment that allows not only each child to develop into not only the best hockey player they can be, but the best person they can be. This is to be done by learning teamwork, camaraderie, sportsmanship, and having respect for the game, coaches, officials and parents who help serve our hockey community.
