Campers and parents,

The main focus of this camp will be on using what campers learned in the June fundamentals camp and putting those skills to use in game play. We will drill fundamentals in the beginning of each session and then have the girls play 3 on 3, 4 on 4, and 5 on 5 to transfer their skills to game situations.

There will be many drills and stations that will focus on ball handling, passing, shooting, defense and rebounding before leading into playing scenarios. Girls will be matched with like-skilled players at the beginning of the first week and change teams frequently to get to play with all girls at their grade level.

During these two weeks we want every girl to improve her skills and give each grade level a chance to work on playing together. This will be a great opportunity for each team to grow and build team chemistry.

If you have any conflicts or know your daughter will not be able to attend all days, please contact Coach Huggy.
