

The Original oil painting, titled "Beginnings" by Grady Carlson was created specifically as a fundraiser for the Moorhead Youth Hockey Association. The 2 foot x 4 foot original painting was auctioned off at the 2016 MYHA Fall Social. The setting is based on an original image of Moorhead Spud hockey found deep in the "archives". It portrays three Spuds in post-goal celebration skating at the Morningside hockey rink with the Moorhead Youth rink (where many great beginnings happen) in the background. A very limited edition of prints (100) signed by the artist are for sale for \$50 in the MYHA Office. The print is 12" x 24", which is a common sized piece, and easy to purchase a frame for.
