**Track and Field has truly been a great sport to coach and coaching has
truly been a great profession. There are not many other vocations where
those you have helped come back and say that you made a difference in**

**their lives. The rewards of coaching have been just as great or greater to
coaches as they have been to athletes. Many thanks to all who have
helped me along the way to this point, especially to my dear wife, Faye,
my children and grandchildren, friends, fellow coaches, staff members and
thousands of athletes. You are the reason I am fortunate to receive this
award on behalf of all of you. I cannot thank all of you enough.**

At Preble, you run,

Not for your life, but for honor!

You run for tradition.

You run because when you run at Preble, It has meaning!
