2002 – Wisconsin Cross Country Coaches Hall of Fame

Note:

(This award is greatly appreciated, and is a reflection of how hard the athletes worked as well as the success they had. What I enjoyed most about coaching girls and boys track & field at Whitewater High School was helping athletes succeed and do as well as possible.)

“I accept this induction into the Wisconsin State Track & Field Coaches Association Hall of Fame on behalf of all the Whitewater High School Girls and Boys Track & Field Athletes who have worked their guts out while I was their coach, and strived to be the best they could be.”

Inducted 2006
