**“I would like to dedicate this award to the  
many coaches that have been a part of my  
staff over the years. Without their great  
experience and dedication, this individual  
award would never have been possible.**

**I would especially like to dedicate this honor to  
my wife, Denise. She was my constant  
companion, rock, and greatest fan for over 36  
years. She was there, throughout my career as  
head coach of the Arrowhead High School Girls  
track program. She knew the names of every  
kid I coached, and was extremely proud of  
what we accomplished at Arrowhead. I miss  
her every day.”**

**Inducted 2015**
