

# *Message from the* **PRESIDENT**

BHGS Players and Parents,

I have been on the board for a few years and yet had no idea how hard people work to produce our softball season. Being president for my first year put me in touch with virtually everything going on in our league. I would like to thank all of our tremendous volunteers from the coaches, managers, chaperones and snack-shack people to the tireless, hard working board members. Without them, we would not have a season let alone a great league like BHGS.

This year, we tried a few new things. We recruited seasonal board member volunteers in September in order to get more new ideas in the planning process earlier. We also incorporated a split-division, interleague format in the 10u division. In addition, the CA Kryptonite A-Ball program is in the middle of its first full season. Generally, I am pleased with trying new changes and as always, invite your feedback.

Looking forward, we will be focused on replacing some old equipment like BBQs's and golf carts. We will continue to try to improve our registration and uniforms ordering processes. We're also reviewing our board structure and positions. Let us know if you want to get more involved.

Talking with people, we had another successful year overall. On our fields, I watched a lot of girls having a lot of fun playing softball. I even saw 6 year olds looking like seasoned pros compared to a lot of dirt-digging the year before. What a difference a year makes! It's been a pleasure to serve you and I can't wait until next year.

Until then, have a great summer!

Derek Bowers

# SPORTSMAN of the year

Each year, the players, parents and staff members from each team select one coach from each age division to receive our "Coach of the Year" Award. Throughout the season, the coach they feel deserving of this award should meet the highest standards of sportsmanship while providing instruction of the game and fair play.

This "Coach of the Year" Award is dedicated to Tina Martignetti who played the game she loved best, softball. Tina played as a child and then later as an adult she helped coach young girls in the sport she loved so much. Tina took each team she coached and transformed it with her life's presence. She taught us a valuable life lesson by her kind and encouraging spirit. "Find a passion and make a positive difference." Although we lost Tina to cancer, we never want to lose the lesson of her example and her caring!

Thank You Tina !

# COACHES of the year

Each year, the coaches and managers from each division select on girl from their division to receive the Emily Coyne Sportsman of the Year Award. The five girls chosen represent the best in demonstrating sportsmanship, friendship and fair play. The Sportsman on the Year Award is the highest honor that we can bestow on our players. We strive to teach good sportsmanship, encourage girls to develop new friendships and really love the game and the people associated with the game. Emily Coyne demonstrated all these characteristics and more before we lost her to cancer, but she lives on through this award that carries her name and spirit. The 2009 Emily Coyne Sportsman of the Year Award winners are . . .
