

Committee Charter

Name of Committee:	Equipment Technology
Committee Chair:	Ron Herman
Other Committee Members:	Dan DeChaine, Ted Li, Michael Mergens, Brian Rosen, <i>Teddy Sherill</i> , Bill Murphy, Matt Porter
Board Liaison:	David Blake
Committee Staff Liaison:	Christine Simmons

Committee Purpose

The Equipment Technology Committee is responsible for all competition related equipment and technology necessary to run effective, legal and safe USA Fencing tournaments. The Committee acts in an advisory capacity to the FOC and BOD to review and to provide recommendations on proposed adoption of changes and procedures for the implementation of rules pertaining to competition equipment and technologies. The committee is responsible for tournament layouts, assigning Head Armorers to National and International events, ensuring qualified Armorers are hired for regional events such as RJCC, RYC and SYCs and the recruiting and training of individuals to serve as qualified armorers.

Committee Composition

Appointed by the President and BOD.
