## **PRESIDENT'S MESSAGE**

John Savillo –President

What Was Different this Season?

Before anything else we wish everyone a safe and happy off season. We had a great Fall 2004 season and we hope that you felt the same way. There were some changes last season that should make our program stronger and better suited to the development and enjoyment of our children. First and foremost we rolled out a formal training session for the recreational league. Albert Adade our Training Director held training sessions most game day Saturdays throughout the day. These sessions were well attended but it is our hope that all recreational coaches take full advantage of these sessions.

As always we look forward to a busy off season. Planning will be the order of the day as we will work towards expanding our training sessions, hopefully adding more teams to our competitive league roster, add more players to some of our

recreational teams and hopefully hold recreational and competitive tournaments next Spring. Meanwhile, best wishes for the coming holiday season, keep warm and think Spring soccer. Ole.
