**NOTES:**

- PLEASE BRING TRASH BAGS AND HAUL AWAY YOUR OWN TRASH:** Please bring trash bags to practices and games (or have your snack parents do this) and haul away the water bottles and wrappers and all. Haul them NOT to whatever school trash cans you can find, but OFF-SITE. Get the kids involved in this from your first practice and make it a routine to leave the fields, and the rest of the school sites, cleaner than you found it.
- REDUCE, REUSE, RECYCLE:** This year the School District has challenged us to work with the kids and parents to reduce the volume of trash we produce, encourage re-usable water bottles instead of throw-aways, and to collect and recycle the recyclable materials. So that means you need two different colors of trash bags at each practice and game. Again, get the kids involved in this from the first practice. They hear it all the time at school, so they know the program.
- SOLANA VISTA PARKING -- PLEASE PARK IN FRONT OF THE SCHOOL, NOT IN BACK ON SAN PATRICIO:** Please park, and ask your parents to park, in front of the school or in the school lot. Please do NOT park, and ask your parents not to park, on San Patricio, the street behind the school. THIS APPLIES TO BOTH GAMES AND PRACTICES. Yes it is a public street, but the school has asked us to not park there and we are very VERY interested in accommodating whatever the school asks us to do. Please help me out by making this a priority issue. Thanks.
- NO DOGS ON ANY OF THE SCHOOL SITES:** Yes, your dog is adorable, but the schools have asked us to strictly enforce a no dogs rule. Please advise all of your parents.
- PORTA-POTTIES:** The lock combination is 2016. If you are among the first teams arriving for practice, please remove the lock from the door latch and lock it closed onto the opposite latch. To lock it, you need to turn the dials. If you are the last team on the field at the end of the day, please lock the door closed again.
