Spring 2017

Dear Community Sponsor:

Thank you for interest in supporting Warwick Bulldogs Baseball! For over 10 years, Warwick Township Baseball has provided players in the Warwick, Warminster, Warrington, Doylestown and Buckingham communities the opportunity to participate in America's pastime. Our program ranges from introductory tee ball for our youngest members to elite travel teams that have gone on to win State Champions while competing for the Little League World Series championship. Everyone is given an opportunity to learn how to play baseball, sportsmanship, team work and so much more while making friends for life.

Your support of our programs helps us to provide a high quality experience for our youth and make a lifetime impact while marketing your business to broad audience. We have developed a number of opportunities for local businesses to partner with us. Your sponsorship not only demonstrates your commitment to the community, but also creates an opportunity to reach our hundreds of loyal bulldog families. It's truly a WIN for everyone! Various sponsor packages are listed below and a customized package can be created to suit your goal. We appreciate your support.

Sincerely,

John J. Shimp
