

Niagara Frontier Volleyball 2020 Fall Group Training Season

Niagara Frontier Volleyball will offer two, 6-week volleyball training sessions from August through November in the fall of 2020. **This opportunity will be open to any player in the community, including non NFVB members.** This will serve to keep players in the gym having fun, stay in volleyball shape, and prepare for the fall high school season that is slated to start September 21, 2020. In the event the high school season is postponed or cancelled beyond September 21, NFVB will offer a second 6-week session to prepare players for the 2021 club season.

Practices will be held twice per week on Mondays and Wednesdays or Tuesdays and Thursdays for 85 minutes each night. Previous NFVB members will be placed on the same age and level team that they were on during the spring 2020 season (e.g., navy, gold, red, silver, purple, black, green, white, or orange). The court staff will try to place players with the team members they were with during the 2019/2020 season if the numbers allow. Non-Niagara Frontier Volleyball members will attend the first week of practices and be placed with a training group.

Registration will be first come, first serve. Space will be limited due to covid restrictions. Niagara Frontier Volleyball members will be given priority registration 7 days after the registration link goes live. After 7 days, non-Niagara Frontier Volleyball members will be invited to register.

Practices will be covid-friendly with the following considerations:

- 1) 1 coach per team per court, that will stay with the training group throughout the 6 week training session.
- 2) 10 kids per court/on the same court/throughout the six week training session
- 3) 15-minute intervals between sessions to allow adequate flow of incoming and out-going athletes. This also allows for equipment, court and ball sanitation.
- 4) Pick up and drop off areas
- 5) No adults/parents allowed in facility during any session
- 6) Sanitation protocols will be enforced
- 7) All coaching staff will be following all NYS regulations
