RED RAIDER ELITE

Thank You to all who have signed up to be part of our Red Raider Elite group. This has already been huge help to the Board and our program. We are still looking for more people to join this group. If interested, read below for more information on what we are looking for and how to sign up.

We need you to be a part of our Red Raider Elite group to help with extra tasks that the Pulaski Baseball Board is not able to do. If interested, please send an email to general@pulaskibaseball.com with your cell phone number and we'll send you an invite to join the group. We'll be using the GroupMe app to coordinate the communication. If you can help, respond back. If you can't, no problem. There are no expectations or obligations. Examples of possible requests on GroupMe you will see are as follows: Huge rush in the concession stand let me know if you can stop by for 15 minutes to give a hand, field D needs to be raked, we have a gap from 4:30-6:30pm in the concession stand, we are short workers for the tournament please see if you can fill an extra shift. We appreciate our volunteers so much! We'd love to keep our mandatory volunteer hours as low as we can. Unfortunately, with all hands-on deck we still come up short. Volunteering makes our program great!

SHOWCASE OF SKILLS CHANGE

As an organization, we are constantly reviewing our processes and procedures looking for opportunities for improvement. With that said, we have decided to move our Showcase of Skills from the spring to the fall. This topic is one that we've discussed for the last few years and feel the timing is right to make a change.

If you wish to participate on a Tournament or Competitive Team in 2019, please plan to attend the Showcase of Skills on Sunday September 9th, 2018. Additional details regarding this and other changes we may make will be forthcoming.
