

DAYHA & DASA COVID-19 PLAN

Phase 4: Return to play Jan 4 - 13

Updated 12/28/20

The goal of DAYHA & DASA is to ensure the safety and health of our athletes, coaches, and employees. By following the guidelines provided by the Governor and the policies outlines in this document, our hockey programs can remain open and we can continue to provide hockey skills training to our kids. If we all do our part, we can safely return to hockey and enjoy a successful season.

THANK YOU for abiding by the plan
