Affton Hockey Board Descriptions

Player Development Manager

The Player Development Manager works with the Hockey Director to oversee Learn to Play and Mite ADM programs, skills training, goalie training, and off-ice training. The Player Development Manager works directly with the Commissioner Manager to ease the transition from introductory levels of hockey to club hockey teams. The Player Development Manager works with the Hockey Director to provide skills training and introductory hockey programs year-round. The Player Development Manager helps coordinate goalie training and use of the off-ice training facility.
