Affton Hockey Board Descriptions

SafeSport Manager

The Safe Sport Manager is responsible for monitoring and supervising all aspects of USA Hockey's SafeSport program. This includes the implementation and enforcement of policies, reporting and responding to all SafeSport complaints, and working with MO Hockey and USA Hockey to resolve issues. The SafeSport Manager works with Affton Hockey Office Manager to ensure that all coaches, team managers, and volunteers are in compliance with required training and screening requirements. The SafeSport Manager works with the Director of Auxiliary Operations to maintain a locker room policy. This position requires coordination with other managers and at times requires working with the Board of Governors.
